Virtual Meeting

To accommodate ongoing public health requirements and travel considerations, we are also providing any stockholder as of July 31, 2020 the means to join the 2020 Annual Meeting virtually at www.meetingcenter.io/234436330. The virtual meeting will feature the same live video webcasts accessible to the general public above, plus the option to submit votes and written comments on meeting agenda items. In order to join the virtual meeting, you will need the password, which is **tsla2020**, and a 15-digit secure “control number” unique to you, which you may obtain as follows:

- If you are a “stockholder of record” with shares registered directly in your name with our transfer agent, Computershare Trust Company (a minority of Tesla stockholders), you can find the control number on the Notice of Internet Availability or paper proxy card that was sent to you (please check that it is for the meeting as scheduled for September 22, 2020, NOT as previously scheduled for July 7, 2020).
- If you are a “beneficial owner” and hold shares through a broker, bank or other organization (the vast majority of Tesla stockholders), you will have to register in advance to obtain a control number. Please ask your broker, bank or organization for a “legal proxy” for the 2020 Annual Meeting and submit a copy of it from your e-mail address with “Legal Proxy” in the subject line to legalproxy@computershare.com. If your request is received no later than 2:00 PM Pacific Time on September 17, 2020, you will receive a confirmation e-mail with your control number.

Limited In-Person Events

In addition, we expect to accommodate a very limited number of stockholders in-person at the 2020 Annual Meeting and the Battery Day event due to mandated restrictions on the size of in-person gatherings. Both events will be held at:

Tesla, Inc.
901 Page Ave.
Fremont, CA 94538

We are excited to be able to host attendees in strict accordance with a format that provides robust health control measures. We will also employ additional safety measures and screening protocols to protect our attendees and personnel.

To maximize fairness, we are conducting a random drawing to determine our stockholders' eligibility to attend both events in person. The deadline for entry was Friday, August 28, 2020, at 11:59 PM Pacific Time. **The drawing to attend the 2020 Annual Shareholder Meeting and Battery Day event in-person is now closed.**

If you were selected through the drawing, your selection is further subject to our confirmation of your identity through receipt of valid government-issued identification. Selections are non-transferable. Please carefully review the [2020 Annual Meeting & Battery Day Drawing Terms](#).

We expect to begin communicating selections during the week of August 30, 2020.
